

About NEKSAG

Northeast Kansas Small Area Group was founded in the 1960s by a group of families with the desire to provide a family friendly competitive horse show environment in the region that was easy on the pocket book.

Since that time, NEKSAG has evolved into an affordable and increasingly competitive circuit with many 4-H members placing at the Kansas State Fair each year.

Shows are held nearly every weekend starting in May at one of the many arenas in the region and cease in September with a Fall Benefit Show each year. New members can start anytime throughout the year. Affordable membership is available at an individual or family rate.

You don't have to be a member to participate in any NEKSAG event, everyone is welcome.

- **New to horse ownership?**
- **Want to build your confidence?**
- **Get your kids involved in a sport?**
- **Master your horse riding skills?**
