

ABOUT NEKSAG

Northeast Kansas Small Area Group was founded in the 1960s by a group of families with the desire to provide a family friendly competitive horse show circuit in the region that was easy on the pocket book. Since that time, NEKSAG has evolved into an affordable and increasingly competitive circuit with many 4-H members placing at the Kansas State Fair each year.

Shows are held nearly every weekend starting in April at one of the many arenas in the region and usually ending in September with a Fall Benefit Show each year. New members can start anytime throughout the year. Affordable membership is available with participating saddle clubs at an individual or family rate. A Banquet is held each year to celebrate a successful year with awards (trophies and ribbons), pot luck luncheon, and shopping through an auction of donated items in support of the upcoming show year. You don't have to be a member to participate, **everyone is welcome.**
